

# PREMIUM QUALITY TIMBER GARAGES

Regal Garden Buildings

**SCAMPTON  
BARN DOORS**

**CONINGSBY - GLAZED  
BARN DOORS**

**DIGBY - ELECTRIC  
ROLLER SHUTTER**

## REGAL GARDEN BUILDINGS GARAGES

Our garages have been designed as a great alternative to traditional garage construction, being made from wood your new Garage will benefit from natural insulation and good ventilation, you will also find it's less expensive than traditional brick, concrete or metal. There are three standard designs in our range but we also offer a bespoke service without the massive increase in cost so if you cannot see the size listed overleaf or have a design in mind please get in touch.
